

Chill Skills Facilitator Training

2 Day Training

Chill Skills for Kids is a 6-week program for a small group of children led by a Chill Skills for Kids trained facilitator.

Chill Skills for kid's classes involve a range of fun activities to help kids learn how to relax, explore their imagination and learn valuable life skills.

What we do in a session

- **Gentle movement**
- Show the kids how to **imagine** their worries away
- Various styles of **mindfulness & meditation** to suit different age groups of children
- **Therapeutic creative activities** to help with **self-expression**
- **Talk** about how worry can store in the body, and how to use Chill Skills to release it
- Learn about acknowledging and interpreting **emotions**
- Using journals, the children learn about creating **positive self-talk**

What you will learn from this training:

On completion of this training course participants will be able to:

- Identify and apply the "Chill Skills" process
- Identify and demonstrate practical skills and strategies to help children learn to relax and express themselves
- Deliver various meditation styles and mindfulness to children
- Design and conduct your own "Chills Skills" class
- Tailor "Chill Skills" classes to different age groups

Training package include

- Program manual
- Activity manual
- Program lesson plans
- Yoga cards for kids
- Admin forms
- Small singing bowl
- Cost \$875
